

Friends of KCLMS

Support, encourage and motivate

What have we been provided so far?

- ✓ Additional funding for staff to provide 1-1 support to students from financially disadvantaged backgrounds, as well as those from families with no experience of the university system
- ✓ Funding for extra curricular activities such as costs for developing robots for the UK Nationals VEX Robotics competition
- ✓ Social events to encourage the school community of teachers, parents, carers + students (including the popular annual Bingo Night!)
- ✓ Sponsorship to enable the school to send a team to the Singapore International Mathematics Competition
- ✓ Creating + maintaining a database of internships for students
- ✓ The development of an alumni community for King's Maths School students, both to provide an ongoing network for these students and to support the broader mission of the school

We want to build a fund for the future so that we can continue with these activities to support, encourage and motivate all students of King's Maths School

The Friends of King's College London Maths School was established in June 2016 as a Registered Charity (1167583) to advance the education of King's Maths School students, in particular by:

1. Providing facilities or equipment which are not normally provided by the Education Funding Agency;
2. Developing effective relationships between the staff, parents/carers and others associated with the school (e.g. through regular social events);
3. Providing additional support and services for students in need;
4. Promoting high achievement, e.g. through sponsorship of trips to math competitions.

How you can help...

Consider making a pledge today

To: The Friends of King's Maths School,
80 Kennington Road, London SE11 6NJ

Gift Aid what you give ...

Boost your donation by 25p of Gift Aid for every £1 you donate

Gift Aid is reclaimed by the charity from the tax you pay for the current tax year. Your address is needed to identify you as a current UK taxpayer.

If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

Your donation can be cancelled at any time.

In order to Gift Aid your donation you must tick the box below

I wish to Gift Aid my donation of
